**Word of God Is Topic of Next Lesson**

The power and permanence of the Word of God will be stressed at all Christian Science services Sunday in a Lesson-Sermon on the subject of "Reality."

"Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men!" exclaims the Psalmist in the Scriptural selection. He continues, "He brought them out of darkness and the shadow of death, and brake their bands in sunder."

He sent his word, and healed them, and delivered them from their destructions."

Mary Baker Eddy declares in "Science and Health with Key to the Scriptures," "Reality is spiritual, harmonious, immutable, immortal, divine, eternal. Nothing unspiritual can be real, harmonious, or eternal. Divine Science, the Word of God, saith to the darkness upon the face of error, 'God is All-in-all,' and the light of ever-present Love illumines the universe."

The Golden Text is from Isaiah, "The grass withereth, the flower fadeth: but the word of our God shall stand for ever."

**Office of the Mayor CITY OF TORRANCE CALIFORNIA**

Dear Friends and Neighbors:

For the past four years I have had the honor of serving as your first elected Mayor. During that time, as well as for the preceding four years as Councilman and Mayor, I have worked toward orderly growth and development of this community. My constant objective has been to maintain and improve the efficiency of our municipal services while holding the line on taxes. Torrance has achieved national recognition as an ideal place to live and as a great industrial center.

I am seeking re-election as your Mayor, realizing that the future will bring new problems and challenges. I believe I am qualified for this important work by my years of experience and a record of constructive legislation. Since 1930 I have been a lawyer in active practice and this legal training has been very helpful in making important decisions on matters before the City Council.

With your cooperation and goodwill, Torrance will go on making big strides forward. Our city could not have become great without the active participation of so many of its residents. Yours for continued good government, I am

Sincerely,  
*Albert Isen*  
Albert Isen, Mayor  
City of Torrance
